You all made a difference in a child's, a single mom's, a single dad's, an older man or woman's life this Christmas! Fatima's response to the Christmas Tree of Sharing was overwhelming. The Clare House and the children of the SNAP Homeless Program joyously received your donations this year.

It was a privilege to deliver the packages to many grateful families...there were hugs and tears as the adults carried the gifts for themselves and their families from the car. At the Clare House (where many of the residents do not have family) we had help holding the door and several residents asked if their name was on a gift. When they found out they were to receive a gift on Christmas morning you could feel their anticipation.

I was humbled by your generosity. Thank you for your response this year; it was wonderful.

THE ELEVATOR PROJECT WILL BEGIN SOON!

The cost of the elevator cab is known but the final cost cannot be determined until Walker Construction cuts through a wall and actually begins construction. Once we have a figure we will be coming to you for your financial help to finish this project. The Elevator is a sign of our continuing hospitality to our own parish as well as to the wider community. We will be getting back to you with a definitive project cost. Thank you for all who have so thoughtfully donated to the Elevator Fund. The New Year will bring it into reality!

The Finance Council

If you are a visitor to Fatima we welcome you! Whether you come from another area of Spokane or from across the world. Thanks in part to generous visitors like you, we are able to celebrate the Eucharist in a fitting way and serve one another and our neighborhood. Thank you for joining your prayers to ours today!
