In today's second reading, St. Paul tells the Corinthians (and us) that all of our gifts are from God and that they are given, not for ourselves alone, but for the common good. But the generosity of God knows no limits - the miracle at Cana reminds us that whenever we faithfully do as God asks, He can change our gifts of water into wine!

### PLEASE PRAY for ill members of our parish:

As one grateful family explains,

*"I hope you know that you have brought someone a basket of love & sunshine! To know that others care about them & their needs makes such a difference in how they see themselves & gives them hope for their future."*
