The Scripture passages are linked by the subjects of suffering and healing, faith and prayer. Job experiences tremendous suffering but keeps his faith in God. In Mark's Gospel, at the disciples urging, Jesus heals Simon-Peter's mother-in-law. Jesus teaches us, His

disciples, the importance of prayer and knowing through faith that He is always present to strengthen and heal us from our afflictions.

YOUTH MINISTRY

February 14, **Catholicism: It is Your Story...** High School students and Parents are invited to this opportunity to explore our Catholic faith. This is a great starting point to engage in a meaningful discussion about many aspects of our religion. The PBS production will take us around the world exploring art, literature, architecture and history and how they relate to our foundation of Jesus' life. Fr. Robert Barron will help us discover many wonderful rich traditions of our faith as it touches the hearts of people, young and old around the world. The series will go through Lent and into the Easter season. You will enjoy this opportunity to gather along with the larger parish. We will meet in the Gathering Place at 7:00pm.

Kosher Dinner: If you have not noticed, the sign for the Kosher Dinner at Temple Beth Shalom is up. This is a special opportunity to join our Jewish Brothers and Sisters to celebrate with music, stories, and a great meal. Tickets are available at Temple Beth Shalom.
