In both the first Reading and the Gospel, Luke emphasizes the importance of "witnesses". This just doesn't mean that the disciples experienced the mystery but they gave convincing testimony, even to the point of death. They proclaimed in word and action the transforming Good News of Jesus' life, death and resurrection. What one change of attitude or behavior would make you a more effective Christian witness?

Co-Workers in the Field

Over 39% of our parish families have become 'Co-Workers' by participating in this year's Appeal. Currently we, as a parish, have gifted \$71,894.00 or 79% of our goal. Follow-up letters to those who have not contributed thus far will be in the mail shortly. Our goal is \$91,603.00; we are grateful to the many families who have made their gift already. Thank you!
