On this solemnity of Pentecost, the whole worldwide Church is sanctified by the Holy Spirit. Today's readings describe the Spirit at work as a "strong driving wind," "tongues as of fire," and the power that "enabled [the disciples] to proclaim." The Spirit of God is our life's breath—the active transforming agent changing the gifts of bread and wine to the Body and Blood of Christ. It is the force that can call and transform each of us. Like the first disciples after Pentecost, missionaries are still carrying the love of Christ far and wide, to every foreign place in a multitude of languages.... Pray for all missionaries who bring hope to everyone they serve.

Garden for the Poor

Preparation began this past week on some great advancements for our *Garden for the Poor*. Two new Eagle Scout Projects have begun; the first is an 80 foot extension to the entry way path. The second is the construction of the new green house. More details on these projects will be in the bulletin as both Eagle Scout Candidates will not turn down additional help. Also, T & B Sprinkler Service has been donating time to help us bring the new sprinkler system on line this growing season.

Wednesday Night in the Gardens will begin on June 13th from 6:30 to 7:30 p.m. Parishioners are invited to come be a part of providing fresh produce to the House of Charity this growing season. We will have some hand tools but your are always welcome to bring your own. **Please note the date change.**
