Today's Focus: Open Your Ears, Your Eyes!

The people of Nazareth were not ignorant of Jesus' teaching and the marvelous works that he had accomplished. However, they challenged the source of these wonders. Who did Jesus think he was? The point of the Gospel is the rejection by those who knew Jesus best, but apparently understood him the least. It seems that their hearing or seeing had faltered, perhaps both. This happens not only in the physical sense, but also in more important ways - in terms of listening or comprehending more deeply. The Good News today is that God does not give up on us. Christ keeps knocking on the door of our hearts.

ELEVATOR - GRATITUDE

Our thanks go out to Wallflowers, Merit Electric, and Walker Construction for the wonderful work that they did on the elevator. We received a note from Wallflowers expressing their appreciation for the support they receive from many parishioners of Our Lady of Fatima. The work from Wallflowers was done at cost.

A Suggestion from Fr. Ty:

When you get into the elevator, remember to bless God, bless the elevator and bless the people who made it possible.

If you did not bring your child(ren) to VACATION BIBLE SCHOOL the last week of June, they missed out on a wonderful week of faith, fun and friends. There were 183 children there from not only St. Augustine, Sacred Heart, St. Peter and FATIMA, but from other Christian churches as well. We all learned new songs with catchy tunes, new games, but the solid Bible stories that always teach us how to lead a life with Jesus. Hope you can make the event next year.

Garden News

This past couple of weeks has been a busy time in the Garden for the Poor. A water-saving drip system for three of the gardens is being installed, construction on the new path has begun and the foundation for the Green House is in progress.

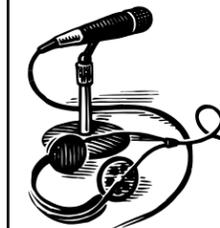

Wednesday Night in the Gardens continues to be a great community gathering for the whole parish. July 11th from 6:30 to 7:30 p.m. will be the next gathering, please bring your own hand tools. Just a little time in the gardens will mean so much to the people that are fed at the House of Charity this fall.

Thanks in part to generous visitors like you, we are able to celebrate the Eucharist in a fitting way and serve one another and our neighborhood. Thank you for joining your prayers to ours today!

Beneath the pulse of the workaday world
there is the heartbeat of another,
deeper rhythm that is eager,
looking forward,
week by week getting closer,
to the return of the Lord.
That is the rhythm of the liturgy,
the heartbeat of the Church.
