JESUS FEEDS

Abundance

In today's Gospel, Philip states that two hundred days' wages would not be enough to feed the crowd of five thousand. However, we see that God always provides. God always gives us what we need and brings abundance out of what seems to not be enough, at least to us. With Jesus, our almighty God, human limitations cease to be limitations. God uses the little we have, and performs miracles to feed and nourish all of us, in abundance. *Sourcebook 2012*

Garden for the Poor, UPDATE!

Some amazing improvements have taken place in the past couple of weeks. We have irrigation in the gardens, no more dragging hoses. Also, the next 80 feet of path way is about to have the paver bricks laid and that will take us back to the new green house. The green house assembly will begin in the next couple weeks, once we have the concrete forms in place. These great additions are only capable through the generosity of our parishioners. Thank you!

Wednesday Night in the Gardens continues to be a great community gathering for the whole parish. August 1st from 6:30 to 7:30 p.m. will be the next gathering, please bring your own hand tools. Just a little time in the gardens will mean so much to the people that are fed at the House of Charity this fall. *an Glatt*, Youth Minister
